

# Y.C.S.

Yorkville Community School  
Parent-Teacher Association

**Thank you!** The third annual fall festival was an incredible success!

With gorgeous weather and a wonderful community spirit, the festival beat all expectations. From the smiles on the children's faces to the collegiality of the various teachers and staff, it is clear that at YCS we have built something impressive and special.

Of course, the festival could not have been a success without the participation of many parents, underwriters, community members and enrichment partners. We want to extend a heart felt thank you to the event chairs Gabrielle Goldberg and Maria Mischel and the many wonderful volunteers, to the generous family underwriters and corporate donors, to the bakers and our enrichment partners.

Thanks to the hard work and dedication of many, YCS was able to raise close to \$10,000, much more than we have raised at this event in the previous years. This puts us one step closer to our goal of raising the funds necessary for all of our students to experience the wonderful programs provided by our enrichment partners. From chess to music, each program adds depth to the incredible education that our children are getting at YCS.

Once again, thank you to all that worked so hard to make this year's Fall Festival such an incredible success.
