Give the Gift of Warmth this Winter!

November 28th – December 21st, 2011

Have you ever wondered how many New Yorkers each winter have to choose between putting food on the table or purchasing a coat? Help New York Cares make this winter season a little warmer by participating in the YCS Coat Drive.

Please donate your new or *gently used* coats. Items may be dropped off at morning arrival or afternoon dismissal and placed in the large cartons in both the YCS East and West lobbies.

Thank you for your support!
