Dear Ms. Hall

On behalf of the American Red Cross, I am delighted to learn that the Yorkville Community School Parent Teacher Association at Yorkville Community School has raised money to support the American Red Cross Japan Earthquake and Pacific Tsunami Relief by collecting donations from colleagues, students, and families at Yorkville Community School. As you know, these fundraising drives not only help the important work of the Red Cross, but they also offer lessons in good citizenship and teamwork to the emerging leaders of our community.

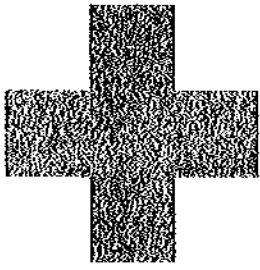

We are pleased to accept your school's contribution of \$1,222 for American Red Cross Japan Earthquake and Pacific Tsunami Relief, which enables us to provide immediate relief and long-term support for those in need. The American Red Cross is making every effort to provide shelter, safe food and water, needed supplies, technical and financial assistance, and other aid to the thousands of people affected by the earthquake in Japan and tsunami throughout the Pacific.

We are most grateful to all of the students and staff involved for your compassion and for your interest in assisting the American Red Cross to help those most in need.

Sincerely,
