

Dear Yorkville Community School Parent,

There are many ways for parents to say "Happy Birthday" to their child. One way of creating a very special remembrance of your child's birthday that will benefit the Yorkville Community School for years to come is to add a book to the classroom library in honor of your child.

We would like to have the Birthday Book Club be a part of the Yorkville Community School. During the month of your child's birthday, he or she will receive an invitation to join the Birthday Book Club. Students will be invited to donate a new book to their classroom library and we will celebrate each book donated by having your child's name placed on a bookplate inside the donated book. In addition, your child's name and picture will appear on the Birthday Book Club bulletin board in the school. If your child has already celebrated their birthday in July, August, September, or October, you will receive your invitation immediately.

Your involvement in this program can truly increase an interest in reading and enhance the reading experience for all of our students. If you would like your child to participate in this program and receive an invitation, please fill out the information sheet below and return in your child's "home folder." If you have further questions, please contact Maria Mischel (Katie Mischel's mom) at themischels@yahoo.com.

We look forward to your participation and HAPPY BIRTHDAY!

Child's Name: _____ Class: _____

Birthday: _____
