

## LAST CHANCE!

As the 2018-2019 YCS-PS 151 school year comes to a close, we would like to thank all the parents and caregivers who helped to support the great education our children receive at YCS!

**The funds raised from your contributions have made a significant difference in helping your child obtain rich and valuable experiences from the programs funded and supported by your PTA.** Working with our excellent principal Samantha Kaplan we do all we can to support our school!

In order to guarantee that these programs will continue for the next school year, we need your support! Consider making a contribution **today**, via the [school website](#) or by filling in and returning the bottom part of this form.

**No amount is too big, or too small. Make an online contribution on the YCS website, or use the donation form below.**

Thank you for being part of our effort to support quality education at YCS.
